Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Mh Abrams Glossary Of Literary

M.H. Abrams has a clear writing style and he definitely has a love of literature and this comes across well in this seemingly dry work that any word-nerd will enjoy. Pedants may find satisfaction in this work as well, using it to bludgeon their lesser informed peers with literary terms.
