Dimension of the Divine was reissued by Chiron Publications in 1987 in response to the ongoing demand for this excellent seminal work on the images of the feminine in religion throughout Western culture. Now, in response to a growing dilemma in certain Christian denominations over the nature of the feminine, particularly as symbolized by Sophia, Chiron once more offers this classic and enduring work with a new introduction by ...

Feminine Dimension of the Divine. Departing from the traditional image of God as masculine, Joan Chamberlain Engelsman examines the feminine dimension of the divine. She recovers female images of the divine, examining the goddesses Demeter, Isis and in particular, Sophia, to demonstrate how the feminine aspect of God was repressed in Christianity.
