### **The Hypnotist's Love Story | Liane Moriarty**

The Hypnotist's Love Story is such a fantastically "well-built" story. The author takes you on a journey of discovery into the corners of her main character's minds. We begin the book by seeing what you would see on first meeting someone and you see what the character her/himself "knows" about themselves at a surface level.

### **The Hypnotist's Love Story by Liane Moriarty | Waterstones**

What did you love best about The Hypnotist's Love Story? The plot and characters are unusual (including a female stalker) that somehow all show varying levels of humanity, always with humor. The story is extremely well crafted, and the Australian accent of the narrator (and setting of the novel) adds to the charm.
