The Second Creation: Dolly and the Age of Biological Control. by. Keith Campbell, Colin Tudge. . Ian Wilmut. 3.75 · Rating details · 28 ratings · 5 reviews. The cloning of Dolly in 1996 from the cell of an adult sheep was a pivotal moment in history. For the first time, a team of scientists, led by Ian Wilmut and Keith Campbell, was able to clone a whole mammal using a single cultured adult body cell, a breakthrough that revolutionized three technologies--genetic engineering, genomics ...

The Second Creation: Dolly and the Age of Biological ...

The Second Creation: Dolly and the Age of Biological Control The notion that science proceeds by a series of "eureka moments"--dramatic insights that seem to come from nowhere--is not necessarily the case. (p. 152) The Second Creation is an excellent place to start if you know little or nothing about cloning. If you are already an expert on the subject then you will find the contents rather dull I suppose.
