But in Europe, afaik, Volvo and Cat both well supported Wd be interesting to see price diff from Tarquin. In the Sq58 it used to be nearly 50grand extra for Cats instead of Volvo. Personally I would have paid 50k more for volvos. But I spect that was not all engine price, it was that fairline didn't want to fit anything but volvo. Not sure though

Which is Best Engine Volvo D12 or Cat C12? | YBW Forum

That is the problem in Europe but I doubt they use same unit there. Thre can also be a crack in the filter housing straight back to the return side, it is not sucking air, just losing pressure. Transfer pump failure is also very common in D12 engines but it usually works well at high rpm but is losing power at low rpm.
